Describe the best piece of art you have ever created. Explain what it is, how you made it, and why you consider it to be the “best.”

Applications due to Spark’s office Friday 3/24/2017

Feel free to attach additional sheets of paper if needed

42 Catharine Street, Carriage House 2nd Floor
Poughkeepsie, NY 12601 845-485-4480

Why is science important? How does scientific knowledge benefit society?

Which do you prefer: questions with a single, specific answer, or open-ended questions where there are no answers? Why?
